

2025 PREMIUM BOOK

ALL ROADS LEAD TO CHEYENNE NOV 17- Nov 30th

The Cheyenne Livestock Exposition with cash and prizes available to exhibitors will be held the last two weeks in November at the Laramie County Events Complex in Cheyenne.

The Cheyenne Livestock Expo was formed by a group of industry members. The event is aimed at preserving our nation's western heritage, giving stockmen from across the county the opportunity to showcase and promote elite genetics.

The event will be held at the all-new Event Center at Archer – an indoor barn and show ring with a capacity of 600-head of haltered cattle. "Archer" is temperature-controlled with an air filtration system. The facility includes an abundance of wash rack space, added electricity, and the show has secured interlocking floor mats. We have plenty of tie out space, and the opportunity for exhibitors to tie out at their trailers.

The 2025 livestock event will feature open and junior beef cattle breed shows with cattle stalled and shown under the same roof. The American Highland, Hereford and Mini Hereford Associations will be having points show.

Awards will be presented to the exhibitors of the top five bulls, open females, junior females.

For juniors, a market steer show, prospect steer and heifer shows will be held. Cash prizes will be awarded to the top 5 market steers. The exhibitors of the top 5 Prospect Steer and top 5 Prospect Heifers will be awarded cash prizes.

Market and prospects will also offer showmanship.

Junior sheep, pig and goat exhibitors can take part in market, breeding and showmanship where champions will compete head-to-head during the supreme drives. Cash prizes will be awarded to the top 5.

Located in the heart of America in cattle country, Cheyenne was the obvious choice to hold this event where two major interstates intersect (I-80 and I-25) offering great options for lodging and some of the best food in the country.

We are excited to welcome you to the Cheyenne Livestock Exposition to be held November 17-30, 2025. **Early entries** close November 2, 2025. For an additional fee you can enter through the show (on top of regular entry fees).

Welcome to the Cheyenne Livestock Exposition!

All roads do lead to Cheyenne this November. Sitting in the heart of cow country, taking a step back in tradition in preserving our western heritage. Cheyenne is the obvious choice, with great hotels, restaurants and the greater Cheyenne community going above and beyond to make this a very welcoming stay.

Let's don't forget our supreme drive events, where the finest in each breed and species will vie for large cash prizes and awards. An hour before the Supreme Drives, gather by the social for drinks with our great friends from Pine Bluffs Distilling.

In order to bring this event about, we need to thank the greater Cheyenne community, Laramie County Commissioners, Cheyenne Chamber of Commerce, Visit Cheyenne, and numerous other sponsors of the event.

Thank you to the staff and all the volunteers and support of you – the livestock breeders. We are excited to welcome you in November to the Cheyenne Livestock Exposition.

We will have many vendors at the show. Concessions, Sullivan Show Supplies, Pine Bluff Distillery, 45 Ranch Supply (bedding and Feed), clothing, blade sharpening.

HEALTH AND BRAND REQUIREMENTS FOR ANIMALS EXHIBITED AND/OR SOLD AT THE 2025 CHEYENNE LIVESTOCK EXPOSITION

**Wyoming Livestock Board – State Veterinarian's
Office 1934 Wycott Dr., Cheyenne, WY 82002
Phone: 307-777-7515**

The Cheyenne Livestock Exposition, in cooperation with the Wyoming State Veterinarian's Office and the Wyoming Livestock Board, recognizes and abides by the importation laws of the state of Wyoming. If an emerging disease is detected in Wyoming or any other state, additional requirements may be put in place.

CERTIFICATE OF VETERINARY INSPECTION (CVI)

All animals entering the Laramie County Fairgrounds, Archer Event Center, must be accompanied by a current CVI and shall have official identification listed on the CVI. CVIs must list the Cheyenne Livestock Exposition as the destination. Each CVI must:

- a. Be an official form from the state or Province of origin,
- b. Be issued by an accredited licensed veterinarian.
- c. Show name and address of owner or exhibitor.
- d. Show all required tests and/or vaccinations for import into Wyoming.

CVIs must be issued within thirty (30) days of the exhibition. EXCEPTION – shorn sheep and meat goats (15 days). All sale animals must have one animal listed per CVI with the CVI original plus three (3) copies.

*****Wyoming is a brand inspection state. Check the section on Brand Inspection for details.***

5. All animals entering the Cheyenne Livestock Exposition will be subject to examination by a Cheyenne Livestock Exposition show veterinarian upon arrival or during the show. Any animal showing evidence of infectious, or contagious diseases may be immediately withdrawn from the show and held in quarantine at owner's risk and expense until properly treated and recovered or until properly released to return to owner's premises following treatment.
6. Animals with ringworm or warts that are visible by a hands-on inspection will not be allowed to remain on the premises.
7. Any animals not from Wyoming that are sold or staying in Wyoming after exhibition must meet Wyoming import requirements. All out-of-state bovine animals must meet the TB and brucellosis requirements as described within this document.

CANADIAN ORIGIN SHOW & SALE ANIMALS

Cattle entering the Cheyenne Livestock Exposition originating from Canada must meet all import requirements for the state of Wyoming. You will need a Canadian Veterinary Health Certificate (CVI) and Import Permit from Wyoming State Veterinarian's office 307-777-7515. Contact us for further information.

BRAND INSPECTION Wyoming is a Brand Inspection state. State law requires a brand inspection be completed on livestock cattle and sheep prior to movement across a county or state line, and when a change of ownership occurs. All cattle being sold at any Exposition sale must provide proof of ownership prior to the sale. This can be established through brand inspection documentation, use of the owner's registered brand, bill of sale or title document. Health documents from non-brand states are a valid piece of the puzzle, but must be augmented by other evidence of ownership, as above. If proof of ownership is not supplied, proceeds will be held until such proof is provided. All livestock leaving the event must have an inspection performed. If the livestock is from and returning to a brand state which provides for a Lifetime or Permanent permit, those will be honored. Brand inspectors will be available for any exposition sale and at the times posted at the event office. For questions concerning brand inspection, contact the Wyoming Brand Office at 307-777-7515.

**Must check-in to the show office for stalling
and tie-out assignments.**

No Cedar Fiber bedding allowed.
