2026 CHEYENNE LIVESTOCK EXPOSITION

HEALTH AND BRAND REQUIREMENTS FOR ANIMALS EXHIBITED AND/OR SOLD AT THE 2026 CHEYENNE LIVESTOCK EXPOSITION

Wyoming Livestock Board – State Veterinarian's
Office 1934 Wycott Dr., Cheyenne, WY 82002
Phone: 307-777-7515

The Cheyenne Livestock Exposition, in cooperation with the Wyoming State Veterinarian's Office and the Wyoming Livestock Board, recognizes and abides by the importation laws of the state of Wyoming. The requirements in this document reflect the import and livestock movements of the Wyoming Livestock Board, as well as additional requirements from the Cheyenne Livestock Exposition.

Livestock disease control is vital for the livestock industry in Wyoming and the nation. Biosecurity is a key component of controlling diseases. Anytime animals are commingled, the chance of spreading disease is multiplied and so is the need for heightened biosecurity.

If an emerging disease is detected in Wyoming or any other state, additional requirements may be put in place.

CERTIFICATE OF VETERINARY INSPECTION (CVI)

All animals entering the Laramie County Fairgrounds, Archer Event Center, must be accompanied by a current CVI and shall have official identification listed on the CVI. CVIs must list the Cheyenne Livestock Exposition as the destination. Each CVI must:

a. Be an official form from the state or Province of origin,
b. Be issued by an accredited licensed veterinarian.
c. Show name and address of owner or exhibitor.
d. Show all required tests and/or vaccinations for import into Wyoming.

Cattle entering the Cheyenne Livestock Exposition originating from Canada must meet all import requirements for the state of Wyoming. BRAND INSPECTION Wyoming is a Brand Inspection state. State law requires a brand inspection be completed on livestock cattle and sheep prior to movement across a county or state line, and when a change of ownership occurs. All cattle being sold at any Exposition sale must provide proof of ownership prior to the sale. This can be established through brand inspection documentation, use of the owner's registered brand, bill of sale or title document. Health documents from non-brand states are a valid piece of the puzzle, but must be augmented by other evidence of ownership, as above. If proof of ownership is not supplied, proceeds will be held until such proof is provided. All livestock leaving the event must have an inspection performed. If the livestock is from and returning to a brand state which provides for a Lifetime or Permanent permit, those will be honored. Brand inspectors will be available for any exposition sale and at the times posted at the event office. For questions concerning brand inspection, contact the Wyoming Brand Office at 307-777-7515.

Must check-in to the show office for stalling and tie-out assignments.

No Cedar Fiber bedding allowed.
